PATTERSON LIBRARY - FACT SHEET

What are we?

The Patterson Library is an independent, 501(C) 3 not-for-profit organization that provides library services to the residents (taxpayers) of the Town of Patterson. As a member library of the Mid-Hudson Library System, we also issue borrowing cards and provide library services to any resident of Putnam, Dutchess, Ulster, Columbia, and Greene Counties. The library is chartered by the State of New York and operates under the authority of the Education Department, Division of Library Development. We are obligated to meet the minimum library standards as defined by the state.

What is our mission?

The Patterson Library provides materials, information services and programs to promote informed citizenship and lifelong learning. The library is committed to meeting the personal and professional needs of the community residents.

Where are we located?

The Patterson Library is located at 1167 Route 311 in Patterson, NY. The library opened in this facility in September 1996 and purchased the building from the town in August of 2007. The Town of Patterson Justice Court was relocated near Town Hall. In 2012, a full renovation of the expanded library was completed. This included new collection spaces for adults, a new family center, children's program area, a café, new staff offices and an updated community room.

What is our history?

The original Patterson Library was established in the late 1780's and thrived until 1837. In 1937, the library began anew and in 1945, a Library Committee was formed of representatives from local organizations. Dr. Julian Harvey Swann was appointed librarian and at his suggestion, the interest of Charles S. Irish crystallized in the gift of his South Street home as a library building. In March 1946, the Library Association was formed and chartered by the State of New York in 1947. For nearly 50 years, the Patterson Library provided service to a growing community from this location, expanding within the structure many times. By 1994, the 1,400 square feet of space had been maximized and the library was relocated into 2,500 sq. ft. of the Town Court facility. The 2012 renovation expanded the library to 7,500 sq. ft. of service space.

How are we governed?

The Patterson Library Board of Trustees is composed of up to fifteen self-appointed members. The Board provides policy and direction to the Library Director. The Director manages the library and the staff.

How are we funded?

In 2001, the Board of Trustees exercised NYS Education Law Section 259, Chapter 414 to initiate the first public library budget vote in Patterson, held at the general election in November. This proposition was passed by the voters and established a minimum, secured funding level for the first time in the library's fifty-year existence. In November 2004, voters approved an increase in annual town library funding to expand services and the library facility. In 2007, a proposed increase to library funding was narrowly defeated; meanwhile, the library purchased the building from the Town. Residents approved budget increases in 2009/2011/2013/2016.

Putnam County libraries lobby annually for helpful funding from the county. New York State provides a small amount of direct Local Library Aid to the Patterson Library, and also provides funding to the Mid-Hudson Library System for important services such as delivery of shared materials. Repeated NYS cutbacks in aid to library systems have reduced services and led to new system fees to all member libraries, including Patterson. The Brewster School District also provides a small amount of annual funding to the Patterson Library.

Tax deductible donations are welcomed from individuals and businesses, and the library is the recipient of occasional major gifts and planned estate bequests. We also have been awarded a number of grants, which provided funds for some of the library renovation, special projects and major events.
