## PHOTOGRAPHY AND VIDEOGRAPHY

Photography or videography is generally permitted if it is for general public library promotion by the media, student projects, and/or strictly for personal use.

Photos, images, audio recordings, and/or videos taken on library premises may be used for publicity.

Requests to photograph or videotape for commercial purposes are not permitted without approval by the library director. Requests for permission to photograph or videotape for commercial purposes must be submitted in writing for review by the library director.
