PUBLIC MESSAGE POSTINGS

The Patterson Library's public message spaces are open to local organizations engaged in educational, cultural, intellectual, or charitable activities of public interest. The library does not necessarily endorse the views of those organizations that post notices here. All material must be submitted to the library before posting. The library reserves the right to restrict postings, due to size, space, or content. Exclusion of postings will not be made on the basis of the doctrinal, religious, or political beliefs of those wishing to use this space. Postings will be removed at the library's discretion. The library is not responsible for and will not return any materials (such as flier holders) that are left with posting materials
