

PATTERSON LIBRARY

EXHIBITS

1. Library display facilities are intended for exhibits related to:
 - Library business or activities or
 - Public service items of educational, cultural or civic interest to the community.
2. Exhibits may not be used for advertising or for commercial purposes.
3. Identification of the exhibitor must be included.
4. The duration of any exhibit is established at the discretion of library management. The requirements of the library take precedence over those of exhibitors. Should the library require exhibit facilities for its own use, the library reserves the right to pre-empt such space upon three-day's written notice to the exhibitor.
5. Installation and subsequent removal of exhibits are the responsibilities of the applicant.
Exhibits which are not removed on or prior to the date established by library management will be removed by the library. Any and all expenses for such removal become the responsibility of the exhibitor.
6. **Neither the library, nor its staff or the Patterson Library Board of Trustees accepts responsibility for loss or damage to any exhibit.**
7. The library does not necessarily advocate or endorse the viewpoints of parties permitted to utilize exhibit space.
8. Potential exhibitors must complete an application. No installations are permitted without written authorization of the library management.
9. The exhibit areas are multi-functional. Exhibits cannot in any way disrupt the normal routine of the library. Meetings, programs, or other events may be held in the space concurrent with the exhibition.
10. The library reserves the right to deny use of exhibition areas to display materials that may be considered obscene.

Non-compliance with these rules may result in denial of future exhibit privileges.
